Make Your Rent Buy a Home

Why help enrich some other man by paying him every month for the privilege of living in his house?

Why not own a house yourself and the land you live on?

You can do it on the same amount of money that you pay out for rent.

Make a first payment on a home. When you spend money for improve-ments or make a payment, you can say, "That's all mine and nobody can take it from me."

Suppose it does take you a few years to pay for it. You can sell out then, if you choose, at a profit, be-sides getting back every dollar you invested and saving the rent during those years. Did you ever figure it out that way before?

Better investigate these:

A beautiful six-room brick dwelling, just completed. Six rooms and bath; room; hardwood finish throughout; cement walks, east front, etc. Only \$1000 cash, balance at 8 per cent.

Price\$3700

Only \$550 cash and the balance like rent buys a nice six-room brick; mod-ern, good cellar, screen porch, nice shade, cement walks, etc.

Price, only\$3000

An excellent investment. Two good houses, on the car line; must be sold within a very short time as owner is leaving the valley. About one-half cash and the balance at 8 per cent. Price for both, only.....\$4000

Nice five-room cottage, modern and located close in. Lots of shade, etc. Only \$1000 cash. Price.....\$2250

WE ALSO HANDLE COUNTRY PROPERTY AND KEEP IN CLOSE TOUCH WITH THE LOCAL REAL ESTATE SITUATION. THIS IS HOW YOU WILL FIND OUR SERV-ICES OF VALUE.

We offer, among many others:

80 acres, close to Glendale, of which 25 is in alfalfa and the balance the finest of grain land. No better soil in the valley. Close to the new car line. Good terms. Per acre, only.....\$150

20 acres at a great bargain. Very best of soil and well located. Will give good terms. Price, only.....\$2750

YOUR MONEY BACK

IF ANYTHING WE SELL YOU IS NOT AS WE REPRESENT IT.

POINTED PARAGRAPHS.

It's as useless to worry as to tell people not to worry.

More men have been ruined by schemes than by bad associates.

It is never too late to mend—except when you find yourself broke.

Talk is so cheap that most of it has to be disposed of as a nuisance.

Costly experience is a drug in the market when you attempt to sell it.

With the exception of money there is nothing harder to keep than an umbrella.

And you can never judge the value of anything people quarrel over by the size of the quarrel.

Money is something most of us spend a lot of in strenuous effort to get something for nothing—Chicago News.
